

# HOW TO ORDER BIKE DOCKS

## STEP 1

Fill out order form; include your company logo as a vector (EPS) file; submit via email to [JEVERS@K3YMCA.ORG](mailto:JEVERS@K3YMCA.ORG). If you have any questions regarding the file format, please contact Jasmine Evers at 815-933-1741, ext. 233.

## STEP 2

Send total payment due (**payable to the Kankakee Area YMCA**) to:  
Kankakee Area YMCA  
Attn: Jasmine Evers  
1075 N. Kennedy Dr.  
Kankakee, IL 60901

## STEP 3

You will receive a confirmation call. Bike docks will be installed at no charge in the communities of Bradley, Bourbonnais, and Kankakee. This call is to coordinate the installation process.

## Step 4

Receive your bike dock in approximately 4 weeks! (Please note, there is no guarantee that bike docks will be installed immediately upon arrival, if you are using municipalities for installation.)

# INTERESTED IN DONATING A BIKE DOCK?

For more information on how to donate a bike dock to an organization, please contact Jasmine Evers at 815-933-1741, ext. 233.

## SHOW YOUR COMMUNITY YOU VALUE ACTIVE LIVING

The Branded Bike Docks Program is sponsored by the **Kankakee Area YMCA's Pioneering Healthier Communities** initiative. This initiative, known locally as **Live Healthy Kankakee County**, works together with local governments, community organizations and social service agencies to promote physical activity and healthy eating for everyone living in Kankakee County.

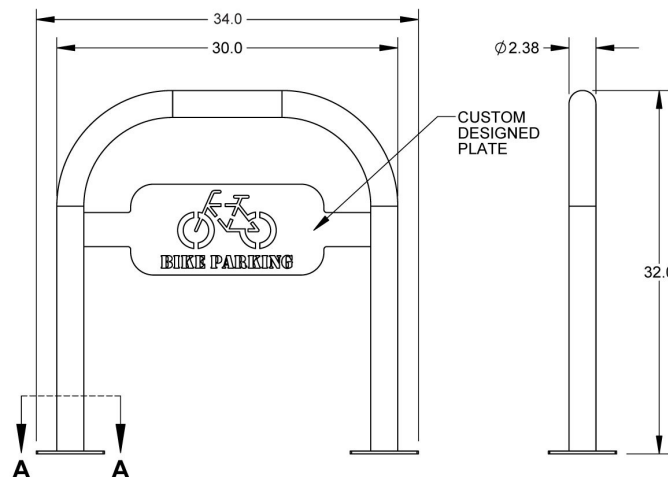

Research tells us that one of the best ways to fight obesity in both children and adults is to be physically active. Purchasing a bike rack for your place of business encourages both your employees and patrons to do just that. Welcoming alternate modes of transportation might boost the number of customers that come through your doors. And it may also help your employees improve their health. Show your community that you know the benefits of an active lifestyle and want only the best for those who live and work in Kankakee County!

Our preferred vendor, Saris Cycling Group, has manufactured bike parking racks in its facility in Madison, Wisconsin since 1974. Saris constantly pushes the technological boundaries for its products, and is a leader in the industry providing the most intuitive and innovative products in the market.

### Essex Green

**Essex Green is the standard color used for bike docks. If you are interest in additional colors, please contact Jasmine Evers at 815-933-1741, ext. 233 or email her at jevers@k3ymca.org**

For more information regarding this bike dock, visit the Saris website at <http://www.sarisparking.com/product/branded-bike-dock/>

## BENEFITS OF BIKE DOCKS

Encourages customers and employees to use a more active mode of transportation to get to your place of business

Is an easy way to keep bikes safe and secure
